Conversation-Starter Stickers

A complex rectangular sticker. At the top, it says "DEFEND IMMIGRANT RIGHTS!" with a banner and butterflies. Below that, it reads: "Climate change is making parts of the world unlivable. But no country offers a legal path to entry for families displaced by the climate crisis. Instead, authoritarian movements growing across the world win power by demonizing immigrants. These movements are aligned with the interests of the fossil fuel billionaires. The climate justice movement must include justice for immigrants." To the right, under "Here's what you can do:", there is a numbered list: "1 Stop rising emissions to stop climate change.", "2 Support the work of immigrant advocacy organizations.", "3 Vote climate and never stop demanding action from the people who represent us." At the bottom, there are social media icons for Facebook, Instagram, and Twitter, along with "@2028IsTooLate" and "#2028IsTooLate". A small text box says "Visit our website for free conversation-starter stickers and talking points. 2028IsTooLate.org".

These stickers and more are available for free on our website.
